

SUMMARY:

- 14 years in oil and gas operations, 2 years in software development
- International experience: Canada (14 years), USA (6), Germany (4), Bosnia (5)
- Effective negotiator with seasoned interpersonal and management skills

EDUCATION:

- Real Estate Trading License, Vancouver BC, Apr 2018
- Postgraduate Diploma in Petroleum Engineering, Heriot-Watt University, Edinburgh, UK, Jun 2017
- Diploma in Computer Systems Technology, Northern Alberta Institute of Technology, Edmonton, Alberta, Aug 2000
- BSc in Mining Engineering, Univerzitet uTuzli, Tuzla, Bosnia-Herzegovina, Apr 1987

EXPERIENCE:

Apr 2018 – Present

Royal LePage Sussex, Vancouver BC
Real Estate Agent

Jul 2013 – Jun 2014

Baker Hughes Inc., Midland TX
Directional Drilling Coordinator

- Managed projects, each from \$10,000 to \$30,000 daily revenue.
- Worked with customer's engineers to ensure the best tool selection, deployment, and job execution.
- Managed a team of directional field specialists and engineers to meet or exceed customer's expectations.
- Collaborated with a team of directional and MWD/LWD coordinators, operations and account managers to provide best service to customers.

Jul 2006 – Mar 2015

Baker Hughes Inc. (Canada – 4y, USA – 5y)
Senior Field Engineer

- Successfully completed many drilling programs with service ticket ranging from \$100,000 up to over \$500,000, of which millions of dollars authorized for expenditure of these programs
- Collaborated with drilling supervisors, well site geologists, engineers, and rig personnel.
- Successfully executed many directional and horizontal trajectory wells with conventional and rotary steerable assemblies.
- Excelled in geo-steering in thin layer and undulating formation beds.
- Trained many field engineers and directional specialists of all levels.
- Highly skilled in monitoring and adapting of drilling parameters to optimize drilling performance.

- Versatile in solving complex drilling issues.
- Built directional client-server application with VBA in Excel and MySQL database, best suited for field directional drillers.

Dec 2004 – Jun 2006

Weatherford Canada, Calgary AB

Directional Driller

- Multiple directional and horizontal drilling including SAGD wells. Conventional mud, underbalanced drilling.
- Multilateral horizontal drilling, sidetrack, set whipstock with wire-line and steering tool.
- Geosteering with standard, oriented, and gamma at the bit.
- Developed Excel PM Drill program for surveying and well planning with built-in intuitive slide sheets and user friendly graphs.

Dec 1997 – May 1999, Nov 2002 – Dec 2004

Weatherford Canada, Edmonton AB

MWD/LWD Engineer

- Specialized in electromagnetic MWD/LWD tools.
- Used surface electronic transceiver to communicate with the down hole tools.
- Operated standard, oriented gamma ray probes, gamma and inclination at the bit tool, and down hole annulus pressure gauge.
- Ran with Windows and MS-DOS data acquisition and management applications.
- Worked with MS Office applications.
- Developed Excel programs in VBA.
- Trained MWD/LWD field engineers.

Jan 2001 – Jun 2002

Uniserv GmbH, Pforzheim, Germany

Software Developer

- Created C modules in Linux, Unix, and Windows environment.
- Generated Perl scripts for data migration, replication, and maintenance of MySQL database.
- Developed web pages with CGI/Perl.

Sep 1997 – Dec 1997

Downhole Data Systems Ltd, Edmonton AB

Wire-line and steering tool operator

- Operated electronic steering tool and gamma probe.
- Operated wireline truck equipment.

PETAR MARKOVIC
pm.markpros@gmail.com
Mob: 778.951.2122

- Ran Windows and DOS applications for surveying and gamma ray logging.

Sep 1994 – Jun 1996

P. Kruger Concrete Products, Edmonton, AB

General laborer, quality control technician

- Precast and architectural concrete products.

Aug 1992 – Aug 1994

Karl Deutschmann GmbH, Flora GmbH, Frankfurt, Germany

Group leader, construction worker

May 1987 – Feb 1992

Barite Mining and Processing, Bosnia-Herzegovina

Mine Supervisor, Mining Engineer

INTERESTS:

Energy, real estate, wine making, golf
